## TruBridge® CLOUD HOSTING SERVICE

Experience reliable, secure and cost-effective deployment of your AHT solutions with the TruBridge® Cloud Hosting Service. You receive top of the line service without the hassles and unpredictable expenses that come with self-management.

## TruBridge® BUSINESS INTELLIGENCE DASHBOARD AND SELF-SERVICE REPORTING

You already have the data. It's what you do with it that creates value for your organization. But several factors, including expertise and manpower, along with the sheer volume of data, can delay or halt your informed decision-making process. With the

TruBridge Business Intelligence Dashboard, the information you need is just a click away. This powerful analytics tool leverages the collective strengths of the CPSI family of companies by utilizing the integrated data you already compile through your EHR solution.

## SENIOR LIVING SOLUTIONS

Take control of all stages of senior care management with AHT Senior Living Solutions. Our solution allows for seamless transitions through all the phases of senior life with a robust reporting function.

## ALLIANCE PARTNERS

Improve the quality of AHT solutions through our alliance partners. By working with our vetted and integrated partners, you receive industry-leading products and services from a variety of companies that are designed to benefit your organization.

## SUPPORT

Maximize your software investment with AHT support. Our experienced team of sales and support representatives consists of industry leaders

who understand the challenges you face and can quickly and efficiently address them, minimizing downtime and maximizing your experience.

## SERVICES

Increase your return on investment speed with AHT services. From implementation and onsite training to business process improvements, we are ready to impact your organization's success and bottom line.

## GET IT RIGHT WITH AHT

We offer the leading EHR designed for skilled nursing facilities and assisted and senior living. Our comprehensive, integrated software solutions including Care Management, Financial and Enterprise Management and Revenue Cycle Management deliver a seamless flow of information between resident care, coding and billing, and financial management functions.

You'll receive comprehensive support every step of the way. As your true technology partner, we'll guide you throughout training, go-live support and service during and after implementation. Whether support is provided online or onsite, American HealthTech is a proven formula for improved care and a healthy bottom line.

## ACROSS THE CARE CONTINUUM WITH CPSI

As a community healthcare company, CPSI and its family of companies help you, your community and the people you serve live healthier, more vibrant lives by leveraging our collective strengths to create the latest in innovative solutions across the care continuum. American HealthTech joined the CPSI family in 2016.

## BETTER HEALTH ALL AROUND
